

Workshop on Strategic Partnership for Development of Fuel Cells

March 16, 2018 (Friday)

Session Chair: İnci Erođlu		
13:30-13:35	Welcoming Remarks	C. Özgür Çolpan
13:35-13:55	Overview of hydrogen and fuel cell related research at CERL in UOIT	Ibrahim Dincer
13:55-14:15	The development and production of fuel cell from TEKSIS's point of view	Hüseyin Devrim
14:15-14:35	PEM type fuel cell research at TOBB ETU	Mehmet Sankır
14:35-14:55	Advances in the fuel cell research in Dokuz Eylul University	C. Özgür Çolpan
14:55-15:15	Hydrogen & fuel cell research in Atılım University	Yılser Devrim
15:15-15:35	Advances in the fuel cell research in Sen Research Group (SRG), Dumlupınar University	Fatih Şen
15:35-16:00	Coffee break	
Session Chair: T. Hikmet Karakoç		
16:00-16:20	Fuel cell research in Atatürk University	Ayşe Bayrakçeken Yurtcan
16:20-16:40	Hydrogen & fuel cell research and demonstration activities at MAM Energy Institute	Suha Yazıcı
16:40-17:00	Studies on the development of directly fed fuel cell catalysts at Van YU	Hilal Demir Kıvrak
17:00-17:20	PEMFC studies in Recep Tayyip Erdogan University	Adnan Midilli
17:20-17:40	Advances in the fuel cell research in Çukurova University	Ebru Erünal
17:40-18:00	Direct borohydride fuel cell studies in Kocaeli University	Cenk Çelik and R. Gültekin Akay
18:00-18:20	Research and development of microbial fuel cell technology at Yıldız Technical University	Bestami Özkaya
